

The ANGELES family

Dear Friends,

God's blessings truly are plenteous, overflowing and countless. However, allow us to share to you some of these blessings that we have received...

One thing that makes us sad is not being able to do one of the things that we love--- the children ministry. Due to pandemic, we missed the opportunity again to accommodate, teach, and feed more or less two hundred kids through our vacation bible school (VBS). Although it has been challenging--- God is still God, God is still good and surely God still has a plan.

Two new mission works have been started! In cooperation with our sending church, we started visiting two municipalities/towns here in Pangasinan—Agno and Infanta. As a start, we do the tracts distribution, soul winning and some bible studies. Now, we are looking for a missionhouse in each town wherein we can gather the people for worship.

Three years of good partnership in the Lord's vineyard. We would like to thank you for your love and for your faithfulness in supporting financially and in praying for us .In answer to your prayers, God has done great things in our behalf. You've been a great blessing to us for sharing and having the same desire of lifting God's banner on high. We pray that the Lord would return to you hundredfold all that you have extended for the Lord's ministry here in Sual, Pangasinan.

At the age of *four*, our little Shamgar completed the first milestone of his proper learning in pre-school. He excels in mathematics and enjoys addition a lot. He is so sweet and very active boy who loves cars, airplanes and dinosaurs.

- *God's provision for the completion of the church building and prophet chamber
- *Church van

Five dedicated men... Together with our sending pastor, we prayed for the five faithful men who surrendered their lives and committed to be “Preachers”. It was indeed a great joy to see the fruits of our labor. Glory to God in the highest!

Our vision: Six churches, four more to go. Years ago, God has showed us a vision of having six churches until the year 2030. We know that by our own means, we can't make it. But, within our hearts we believe that it is possible with His favor and mercy, and with your partnership.

Seven years of God's faithfulness in the ministry... With the theme, “ALL FROM HIM, ALL FOR HIM”, we acknowledge that everything is from the Lord and all of the accomplishments were done only by His grace and of His marvelous power alone. It was a day of blessing. The preacher encouraged and challenged our hearts to dream, and dream again for the ministry and to give back all the glory in His name.

It's our eight wedding anniversary! We are so grateful to the Lord for His unfailing love and grace towards our marriage. We are praying that He would open our hearts to fully cherish each other, and open our eyes to see the blessings we have.

Nine youths were baptized. On the first week of July, three young men and six young ladies decided to do their first step in following our Lord and Savior Jesus Christ through water baptism. They have different lifestyles, status in education and financial, life experiences and stories to tell... but they have the same faith in God.

Ten prayer requests. May we covet for your continuous prayer for: more souls to be saved, mission house for Infanta and Agno, God's protection and good health, daily provision, church van, bigger building/place for worship. Knowledge and wisdom in leadership, discipleship, Shamgar's on-line schooling, and God's will for going back in USA with the family.

TO GOD BE THE GLORY!

Rhyan, Bhelle, Shamgar
